Always ready for creativity: Smart-Fab® Rolls

Whenever and whatever you want to create, Smart-Fab® provides the ultimate in flexibility. Just cut off the length you need and get started on your next project – from small arts and crafts projects to large-scale indoor and outdoor decorations and scenic elements. Smart-Fab® rolls are light weight and easy to store. They come in a range of brilliant, non-fade colours.

Smarter than ever: Smart-Fab® Cut Sheets

Want even more convenience?

Smart-Fab® Cut Sheets are the solution - individual pre-cut sheets that are perfect for smaller projects. They save precious preparation time and are easy to distribute and store. Enjoy the same great colours, quality and durability in a new format that's just right for the classroom.

Now, Smart-Fab® is more convenient than ever, with Smart-Fab® Cut Sheets.

Smart-Fab® is the smart alternative to paper and cloth. Available in a range of brilliant, non-fading colours, it's an innovative non-woven fabric that's easy to cut, fold, glue, sew and staple – and even paint and draw on. Smart-Fab® is strong, yet flexible – but doesn't fray. And, it's recyclable!

Children and educators love working with Smart-Fab®. It's perfect for an unlimited range of indoor and outdoor projects, including bulletin boards, banners, arts & crafts and scenic design.

Take a roll of Smart-Fab® – and see where your imagination leads you!
