

INTRODUCTION

The K-Sun 2010-PC Professional Printer is ideal for industrial, laboratory, medical, and safety identification labeling. Make the label you need, when you need it, in-house and on demand using the power of your PC and the K-Sun 2010-PC Professional Printer to **create professional labels in seconds**. K-Sun 2010-PC Professional Printer connects with USB cable (included). Its **small, compact footprint** is ideal for desktop, tool cart, lab bench and travels easily with your laptop! The snap-in cartridge system loads conveniently from the top with color and material ID showing through the clear window.

- Improve your safety ID program with compliant, professional labels.
- Make directional and informational labels as well as small signs.
- Use the different color tapes to create ANSI warning labels for equipment.
- Create 2D bar codes, add date and time stamp for control, medical and lab labels.

Over 115 Color and Size Tape Combinations ($\frac{1}{8}$ ", $\frac{1}{4}$ ", $\frac{3}{8}$ ", $\frac{1}{2}$ ", $\frac{3}{4}$ ", 1 "") to create just the label you need. Print on shrink tube, self-lamination wire wrap, magnet tape, fabric or glow-in-the-dark tape. Use the flexible, durable adhesive-backed labeling tapes for glass, metal or plastic curved surfaces – the adhesive holds firm.

SOFTWARE

MaxiLabel® Pro Ver 4.0 software with the 2010-PC printer provides full PC compatibility. The easy to follow manual will guide you through **importing logos**, graphics and symbols into custom label designs. Speed through label design with 150 preset wizards for professional looking labels. MaxiLabel® Pro Ver 4.0 has **15 bar code formats** (including the popular 2D formats for QR Code and Data Matrix), data/time stamp, **839 symbols** (including ANSI, PPE, IMO, Target Organs and Signal Words in Multiple Languages), along with background patterns, 80 borders, and the **ability to import Excel files**. For Windows® 7, Vista, XP operating systems. (Free Windows® 8 upgrade when available).

K-Sun 2010-PC Offers 6 Different Labeling Tape Sizes and Over 115 Color and Size Tape Combinations

1"	224MTBW	224MTBY

- Labeling tapes and wire wrap made of durable, all-weather polyester base with a permanent, industrial-grade acrylic adhesive
- Tapes are flexible for curved surface labeling
- Adhesive can adhere to itself for wire tabbing and flagging
- 10 year outdoor life
- Labeling tapes, shrink tube material and wire wrap prints with resin thermal transfer ribbon for UV, scratch, fade, chemical and smear resistance

- Shrink tube material is an industrial grade polyolefin base material
- Shrink rate is 50% or more in diameter and 15% or less in length with shrink ratio of 3 to 1
- Shrink tube material compliance, UL standard 224, Meets mil-1-23053/5 class 1 and 3, mil-IR 46846 type V ratings
- Tape complies with ANSI/TIA/EIA-606 Standards
