

## Monsoon Racing Bibs

Race Numbers for Laser Printers  
& Digital Toner Copiers

Finally a Textile Material that is printable on your Toner/Laser Printer that will not melt and also runs reliably through your printer.

- Customisable for a wide range of purposes for a different look and finish
- White opaque, non-woven fabric
- Lightweight & foldable textile feel -but is durable like synthetic
- Monsoon Racing Bib Textile is Water Resistant
- Can be sewn in order to guarantee high breaking strength and resists fraying

Monsoon Racing Bibs & Race Numbers can be printed using your Laser Printer or Copier. Monsoon Racing Bibs are a white opaque Non-Woven Fabric that has been specifically designed to work in both Mono and Colour Printers from Small Volume to Production Machines. Lightweight & foldable, the Monsoon Textile Fabric is perfect for Race Numbers and Numbered Bibs.

**Compatibility Guidance:** Suitable for most dry toner (Laser Printer/Digital Toner Copier) print processes, both mono and colour small-volume, mid volume & production machines. Best printed as heavyweight media. On such machines the user must establish for themselves the optimum settings and paper path, being aware of the thickness and weight of the material.

Available in A4, A3 and A5

Thickness (150 micron/5.91mil) Weight (100gsm)
